

13 LITRE DISPENSER

Item no & Product Size:
AS160

Introducing our brand-new 13 Litre Beverage Dispenser – the ultimate stainless steel solution for keeping drinks hot or cold for up to 12 hours. Designed for effortless entertaining, mobility, and practicality, it's your go-to companion for home, events, and on-the-go serving.

FEATURES & BENEFITS

Large 13 Litre Capacity

Perfect for serving larger groups – ideal for family gatherings, functions, and holidays like Mother's Day!

Double-Wall Temperature Retention

Keeps beverages hot or cold for up to 12 hours so you can serve fresh drinks anytime, without reheating or chilling.

High-Grade Stainless Steel Build

Durable, rust-resistant and easy to clean — a timeless addition to any serving station.

Portable with Ergonomic Handle

Carry your beverage with confidence. The sturdy handle makes it easy to transport drinks to events, picnics, or outdoor gatherings.

Dual Dispensing Taps

Two taps allow simultaneous serving — great for busy homes or events where speed and convenience matter.

Adjustable Height with Foldable Legs

The foldable legs raise the dispenser just enough so cups can fit easily underneath, even on a flat table — no mess, no fuss.

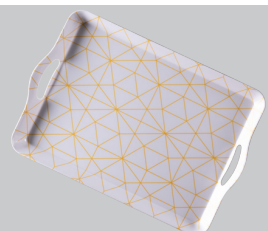

Versatile Use

Whether it's coffee, tea, hot chocolate, milk, or juice, this multi-purpose dispenser handles it all.
